GRIPE 2012 Winter Meeting
January 12 (committees) January 13-15 GRIPE Meeting

Experience with Innovative Teaching Methods

University of South Florida College of Medicine, Tampa, Florida

OBJECTIVES

1. Assess ethics of the practice of pathology and discuss USF COM's "Professionalism Database."
2. Identify professionalism competencies and an approach to remediation.
3. Demonstrate teaching autopsy online with emphasis on affective objectives.
4. Illustrate GRIPE 2011-2012 Strategic Planning Process and Progress.
5. Compare and contrast integration of pathology throughout the four years of medical education from two medical school's experience.
6. Illustrate an integrated ultrasound curriculum for medical students over the four year experience.
7. Apply knowledge of software and illustrate mapping curriculum.
8. Compare and contrast teaching morphology skills to assess which peripheral blood film morphologies residents find most challenging in order to focus teaching on areas of difficulty.
9. Appraise one university's experience with team-based learning.
10. Compare and contrast lessons using active learning in the pathology classroom.
11. Describe process of identifying undergraduate pathology competencies and survey of medical school faculty.

CME Accreditation Statement: Course # 12039

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The University of Oklahoma College of Medicine and the Group for Research in Pathology Education (GRIPE). The University of Oklahoma College of Medicine is accredited by the ACCME to sponsor continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this live activity for a maximum of 14 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conflict Resolution Statement: The University of Oklahoma College of Medicine, Office of Continuing Professional Development has reviewed this activity's speaker and planner disclosures and resolved all identified conflicts of interest, if applicable.
